Changing The Future
Through Education

November 4, 2009

Dr. Kearas
Northwest Healthcare
800 East South Street
Woodstock, IL 60098

Dear Dr. Kearns:

On behalf of Woodstock School District 200, I'd like to offer a special thank you to you and your organization. We appreciate the time you spent at our Wellness Fair on October 20th. This was our third annual Fair, and over 220 of our employees attended. That number is a significant increase over last year's attendance, and we believe the word's gotten out about what a great opportunity this is for people to learn more about living a healthy lifestyle, and about the benefits that are available to them in the District. The feedback we've received from this year's fair-goers has been very positive, and we hope you found the experience an enjoyable one, too.

We'd also like to thank you for the generous raffle prizes. The lucky recipients came to pick up their certificates the very next day!

Please share this note of thanks with others in your organization who helped you that day, or in preparation for our Fair. We want to thank everyone who was involved in this making this day a success.
